Milestone Medical Commences Sales of CompuFlo® Epidural Disposables within Two Premier Pain Clinics

Roseland, NJ., March 29, 2022 – Milestone Medical Inc. (WAR: MMD, “the Company”), today announced that it has commenced sales of the CompuFlo® Epidural disposables at the Cypress Surgery Center in Santa Maria, California and the Galileo Surgery Center in San Luis Obispo. Both of these prominent pain management practices are located in California and owned by Pain Management Specialists.

Pain Management Specialists (PMS) is a group of specially trained physicians, dedicated to the evaluation and treatment of acute and chronic pain. Its physicians utilize the latest techniques and apply the most current theories, to provide patients with a comprehensive treatment plan, necessary to assist in their fight against pain.

Arjan Haverhals, CEO of Milestone Medical, stated, “We continue to expand sales of our CompuFlo Epidural system within pain clinics across the U.S. The selection of our technology by these two clinics follows successful evaluation, reinforcing the safety, economic and efficiency benefits, as well as the improved patient experience.”

About Milestone Medical Inc.

Milestone Medical, Inc. (WAR:MMD) has developed epidural and intra-articular drug delivery systems based on a patented, painless, computer-controlled injection and drug delivery technology originally developed by Milestone Scientific, Inc. Development of both the epidural and intra-articular instruments is now complete. The Company was granted the FDA marketing clearance of the epidural instrument in U.S. and is currently pursuing regulatory approval for intra-articular instrument in the U.S. Milestone Medical received CE Mark approval to sell and market its intra-articular and epidural instruments across European Union. Safe Harbor Statement

This press release contains forward-looking statements regarding the timing and financial impact of Milestone’s ability to implement its business plan, expected revenues, timing of regulatory approvals and future success. These statements involve a number of risks and uncertainties and are based on assumptions involving judgments with respect to future economic, competitive and market conditions, future business

decisions and regulatory developments, all of which are difficult or impossible to predict accurately and many of which are beyond Milestone's control. Some of the important factors that could cause actual results to differ materially from those indicated by the forward-looking statements are general economic conditions, failure to achieve expected revenue growth, changes in our operating expenses, adverse patent rulings, FDA or legal developments, competitive pressures, changes in customer and market requirements and standards, and the risk factors detailed from time to time in Milestone's periodic filings with the Securities and Exchange Commission, including without limitation, Milestone's Annual Report for the year ended December 31, 2020. The forward-looking statements in this press release are based upon management's reasonable belief as of the date hereof. Milestone undertakes no obligation to revise or update publicly any forward-looking statements for any reason.
